

# Jacquard Green Label Silk Colours

Artwork by Celia Buchanan

Jacquard Green Label Silk Colours are true dyes, not thinned pigments, so they do not stiffen the silk or cover the lustre. They are used to dye silk & wool. All 20 colours may be blended together into an infinite range of colours or diluted with water for pastels. These simple to use dyes are lightfast, odourless, non-toxic, contain no alcohol and can be hand washed or dry-cleaned. Silk painting has a magic of its own. It is the kind of activity that brings pleasure to professionals, beginners and kids of all ages.

Green Label silk colours can be set in one of two ways – by immersion in our Permanent Dye Set Concentrate mixed with water or by steaming. The Dyeset concentrate method takes 5 minutes, produces excellent colours and couldn't be easier. But for the absolute best colours these dyes should be steam set.

Available in 20 colours and three sizes:
